New Forest National Park

Romsey Town Centre

The new homes are designed for modern-day life and incorporate some of the latest eco-friendly technology, with solar panels and air-sourced heat pumps to give you lower running costs from the day you move in.

Add this to the contemporary look and feel, private outdoor spaces and assigned parking and you'll see that Springfield Gardens is something very special indeed.

It's in an excellent location too, being in easy walking distance of Romsey's bustling town centre and the local train station.

The Plaza Theatre is just along the road and acts as a cultural and social hub with its varied schedule of plays, musicals, comedy nights and live music, while the nearby Romsey Rapids Sports Complex has swimming pools, squash courts and more.

We have designed our homes to be as eco-friendly as possible. In fact, the Predicated Energy Assessments (PEAs) have put them in the 'very energy-efficient homes' bracket, meaning you will be looking at lower running costs from the start. Add this to the contemporary look and feel, private outdoor spaces and assigned parking and you'll see that Springfield Gardens is something very special indeed.
